Very best Norwegian guide service! Highly recommend!!

We can not recommend Svein highly enough! We experienced many tour guides during our time in Norway, both private tours and tours with a group of 60. Svein was by far our favorite guide. He was kind and attentive, and found fun places to take... [More](#)

Best way to see Oslo

Review of: [Private 5-hrs Exclusive Guided Oslo Limo-, Van- or Minibus Tour, Price pr Vehicle](#)

The private tour went well. Svein upgraded us to a super comfortable minibus for the 6 of us, and gave us many added value services. The best part was our tour guide Helene. She was very knowledgeable about Oslo. Great storyteller and she explained everything... [More](#)

Great day on a private tour of Oslo

Review of: [Private 5-hrs Exclusive Guided Oslo Limo-,Van- or Minibus Tour, Price pr Vehicle](#)

Our family of 7 booked a private tour of Oslo and Svein Jarle was our guide for the day. He was quick to reach out after our booking to ask what we wanted to see to ensure we would get the most out of the day. A few days before the tour he reached out to ensure we were all set - told us he was upgrading us to a 13- seat van and was also getting us an Oslo pass in case of rain so we can visit museums (all at no extra charge). On the day of the tour he picked us up even earlier so we could spend more time exploring the city. We had a great driving tour of the city's highlights, made a stop at the Opera house, went to a great vista point with the view of the whole city, visited the Vigeland sculpture park, went to the Fram museum, the Viking Ship museum and the ski jump. We absolutely enjoyed our time with Svein Jarle, who provided a lot of useful facts and commentary about the city and the history, without it being overwhelming. Thank you so much for a wonderful day!

Great Experience

Great company!

Firstly, they are very fast to respond and to confirm the tours.

Secondly, they provide you with all the information you need and more. We were looking for a family heritage tour and Norway Exclusive did a great job before and during the tour.

Lastly, the tour itself was interesting and all the travelers were satisfied.

I would definitely use Norway Exclusive for future trips and of course, would recommend it to friends.

Thank you for the unforgettable experience!

Excellent guiding

My family and I have visited Western Norway, particular the Geiranger Fjord area, on several occasions to explore the fantastic mountain landscape. On our first visit, we contacted Svein Jarle Hole to be our guide and help us identify the most beautiful mountains and hiking trails in the area. Svein Jarle accompanied us on all our hikes. His travel recommendations, familiarity with the mountains, and knowledge of local as well as national history, were extraordinary.

For advice on how to create a vacation with both activities, sights and that "little extra", my family highly recommends Svein Jarle Hole at Norway Exclusive, who we consider to be very enthusiastic and knowledgeable on the subject.

Great experience

We had a wonderful experience in Norway thanks to Svein. My family(10 of us) wanted to see the place where our great great great grandparents had immigrated from to Canada. We had the names and the location of the farm. Svein contacted the local genealogy society and was able to get us onto the farm and into the church that our relative had built. Along the drive he provided us with history and stories of the area and Norway. He even taught us Norwegian folk songs. He won over the teens with his charming personality and enthusiasm. Svein created an amazing experience for us that far exceeded my expectations. His tour was definitely good value for the money.

Good tour and stylish drive

I got two services from Norway Exclusive; a walking tour in Oslo and chauffeur to the airport.

Svein Jarle was my guide in Oslo. He was warm, humorous, and knew much more about the city than just facts and figures. I felt like I got a deeper look into the city. He asked me about my interests and told me more about the things I was interested in.

I also booked his premium chauffeur service to the airport when I was leaving Oslo. I just told him my address and when my flight was and he took care of the timing for me. He met me outside my door with in a luxury German car that was stocked with water, tissues, and a charging cable for my phone. I arrived at the airport in style and feeling fresh.

Will definitely be using Norway Exclusive when I come back to Oslo next fall.

Visita pelo principais pontos da cidade e arredores. Visita extraordinária do Parque das Esculturas do escultor Vigeland. Com um subida à pista de saltos de sky, que foi uma agradável surpresa. Um excelente almoço num restaurante antigo, mas com um serviço ótimo. Posteriormente uma visita ao Museu do Navio Viking.

"Excellent visit"

Visit the main points of the city and surroundings. Extraordinary visit to Vigeland Sculpture Park. With a climb to the sky jumping track, that was a nice surprise. An excellent lunch in an old restaurant, but with great service. Subsequently a visit to the Viking Ship Museum.
